

2018 ISPO MEMBERSHIP RENEW

Thank you for being part of ISPO!

US-ISPO continues to grow and is able to support important activities because of your generous support and participation. Working with developing countries USISPO assists in the cost of becoming members of ISPO, support for academic scholarships and provides multidisciplinary educational opportunities within the United States and beyond. Special donations to support academic scholarships is invited and appreciated, but not required to renew or reactivate your ISPO membership.
