

2019 USISPO Student Service Learning Trips

USISPO will provide two unique student service opportunities during 2019. Each trip will offer students opportunity to experience global rehabilitation through a week-long service trip where they will work side-by-side with mentors to provide clinical care in low resource settings while learning about global development and rehabilitation.

1. Bogotá, Colombia

Hughes International Clinics
May 18-24, 2019

- Low student to clinician ratio
- Patient populations served: People with lower limb and/or amputations.
- Experience local culture.

Contact person for more information
or registration form:
Cody McDonald, MPH, L/CPO
codym@uw.edu

2. Orange Walk, Belize

Prosthetic Hope International
July 27-August 4, 2019

Registration cost:

\$900 double occupancy hotel, food, ground transportation and travel insurance. Single occupancy option available for \$1100. Does not include flights, alcohol or tourist activities.

Eligibility and How to Apply

- ISPO student membership *
- 2nd year P&O or PT student

Submit your CV, a 500-word essay telling us why you want to be part of the USISPO learning trip, and an unofficial copy of your academic transcript to: codym@uw.edu by March 11, 2019

*Join USISPO online at: <http://www.usispo.org>

"The patients were unbelievably grateful for the work that we were doing. They didn't care if the laminations matched their skins tones perfectly or how advanced the components were, they just wanted to be able to walk again. One patient brought six family members to the delivery and they recorded the entire appointment! That showed the impact of our work and made the experience truly rewarding."

— Ciera Price, MSPO
California State University
August 2018 Service Trip
